MARKING THE INFRASTRUCTURE OF THE WORLD™ | WWW.BERNTSEN.COM

COMPANY LOGO CONCRETE MARKERS

LEAVE YOUR BUSINESS CARD... PERMANENTLY.

Your brand is the most important image of your business and it's usually the first impression that customers and potential clients see.

Much more professional looking than stamping your name in concrete, our concrete markers can increase business, projects, sales and referrals for years to come. These markers can be engraved with your company name, logo, phone number and website for branding that lasts a lifetime.

Berntsen concrete markers can be anchored in walkways, entryways, building walls, etc. and come in two sizes with a unique 3" split-style stem for ease of installation.

Designs are available either recessed or raised into the bronze marker and ship approximately 30 days after artwork has been approved.

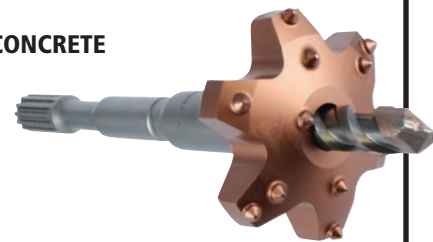

BRONZE CONCRETE MARKER W/ RAISED LETTERING & PROTECTIVE COATING

Item #	Description	1-4	5-9	10-24	25-49	50+

ENGRAVED BRONZE PLAQUES & NAME PLATES

IMPROVING & REPLACING THE AGE-OLD ART OF CASTING

The engraving process for custom, one-of-a-kind bronze plaques can digitally replicate any quality logo, photo or text and captures the most intricate details that the casting process leaves behind.

This technique, along with the finest finishes in the industry, sets a new standard for metal plaques and signage. Available in Oxide, Half-Tone or Full-Color finish, plaques and nameplates ship approximately 30 days after artwork has been approved.

COMPANY NAMEPLATES

Item#	Description	1-4	5-11	12-24	25+

See page 11 for our Plaque & Name Plate design form

PLAQUE, NAMEPLATE & MARKER DESIGN TIPS

- Complete design form (pg 11) and send any instructional text in a detailed Word document.
- Scan images at 300 dpi.
- Any logos should be sent in vector artwork and saved in .eps format.
- Email all text, photos and design form to info@berntsen.com
- Before approving the artwork, be sure to check all the information on the design proof, plus the layout mock-up. **An additional \$50.00 artwork charge may apply after the 1st revision.**

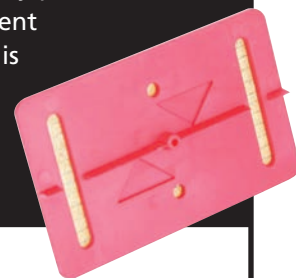

SMART TARGETS AND FLAT PRISMS

SAVING CONTRACTORS
TIME & MONEY
 ONE CONSTRUCTION
 PROJECT AT A TIME

RS SMART TARGETS — FOR VERIFICATION, DOCUMENTATION & MONITORING.

Berntsen International, Inc., has launched a new line of permanent precision survey targets and markers. Designed to facilitate precise building, site layout, and monitoring, all RS Smart Targets are made of tough, UV-resistant materials and are intended for discreet, long-term, highly-precise control monumentation. The RS System includes over 20 specialized markers for placement on bridges, buildings, towers, railroad tracks, and anywhere precise, repeatable control is needed. RS Smart Targets typically include a reflective surface for use with all total stations, and a bull's eye or level line (or ledge) for accurate targeting. When placed on building axes or other critical dimensions, RS control markers can be used by all of the trades associated with large survey and construction projects.

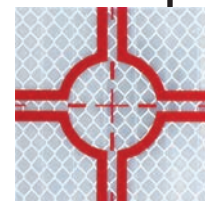

RS11

INDOOR CONSTRUCTION LEVEL TARGETS

Item #	Description	25-49	50-99	100-249	250+

CONCRETE NAME STAMPS

CUSTOM BRONZE CONCRETE NAME STAMP

Concrete Name Stamps are a great way to mark concrete for permanent identification. Made from high-grade bronze. Stamp is 5"x 9" oval with flat ends.

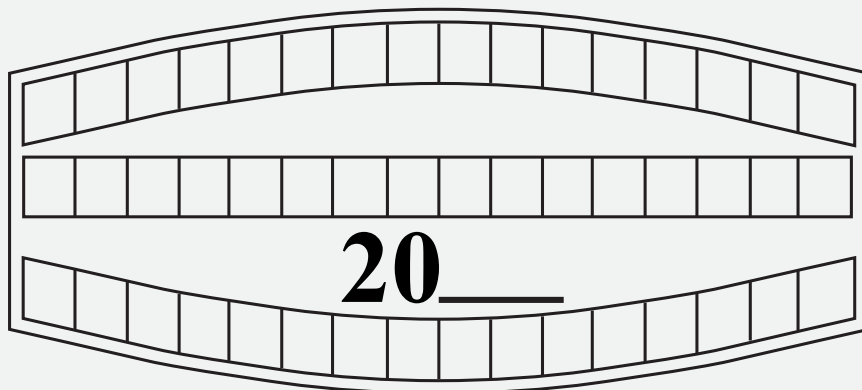

The stamp has 16 letters and spaces available on the top line for company name, 16 letters and spaces across the middle for address, and 16 letters and spaces across the bottom for location. Available characters are the letters A through Z; numbers 0 through 9; and specific symbols (comma, period, dash, apostrophe, hyphen, colon, semi-colon and the ampersand).

Logos are not adaptable to the stamp.
Please allow approximately 3-4 weeks for delivery.

Item #	Description	Price
CF400	Bronze Name Stamp w/ 2015 Date Insert	\$189.95
CF400-01	Bronze Name Stamp w/o Date Insert	\$179.95
CF401-15	2015 Date Insert	\$19.95
CF401-16	2016 Date Insert	\$19.95
