Berntsen®

MARKING THE INFRASTRUCTURE OF THE WORLD™ | WWW.BERNTSEN.COM

BERNTSEN OFFERS A **COMPLETE LINE** OF PARK AND TRAIL POSTS,

signs and decals featuring universal symbols for multi-use trails, campsites and parks/recreation facilities. These trail posts can be combined with signs & decals (see page 3) to create a cost-effective, low-maintenance signing system engineered to resist vandalism and harsh environments.

A. DUAL-SIDED TRAIL MARKERS

This durable yet flexible fiberglass composite post accepts decals on both sides – perfect for trail marking. The raised, reinforced ribs along each side help prevent scratching or removal of decals if impacted.

Item#	Description	<20*	20-80*	100-280*	300+*
CIB3060	60" Fiberglass Post (No Decal)	17.60	14.65	14.00	13.60
CIB3066	66" Fiberglass Post (No Decal)	19.35	16.15	15.65	14.95
CIB3072	72" Fiberglass Post (No Decal)	21.85	18.05	17.00	15.85

B. RECREATIONAL ROADMARKER POSTS

The three-rib design of the RoadMarker post provides both flexibility and structural integrity. Two ribs on the side protect decals from impacts, while the back rib gives added strength for driving into hard soil.

Item#	Description	<20*	20-80*	100-280*	300+*
CRM3060	60" Fiberglass Post (No Decal)	20.20	16.80	15.20	13.60
CRM3072	72" Fiberglass Post (No Decal)	23.30	18.65	17.75	17.10

* 20 posts per case. Available in Brown, White, Green, Yellow, Orange, Red & Blue. Custom lengths also available.

C. SIGN SUPPORT POSTS

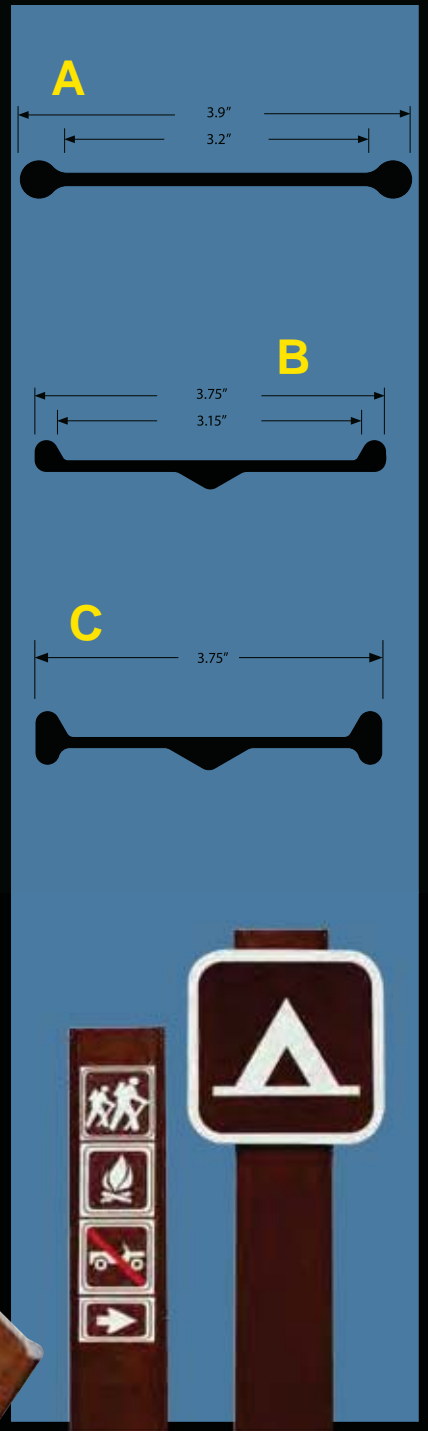

This composite fiberglass post is specifically designed for use with composite signs up to 12" x 36" (includes hardware & drill holes - see page 5 for sign options).

Item#	Description	<20**	20-80**	100-280**	300+**
CSS3072U	6' Sign Support Post	34.40	29.90	28.10	25.65

** 20 posts per case. Available in Brown & White. Custom lengths also available.

ANCBARU	Plastic Anchor Kit (10 per kit)	32.95 each

HIGHLY VISIBLE
COST EFFECTIVE
LOW MAINTENANCE

PARK AND TRAIL POSTS

FOUR-SIDED TRAIL POSTS VISIBLE FROM ANY DIRECTION

D. CARSONITE PERMA-POST TRAIL MARKER

This Carsonite 72" brown marker has a wide 4" decal surface area on all four sides for trail marking. The Perma-Post is made of fiberglass reinforced composite material, so it is flame retardant and ideal for areas with extreme temperature changes. It will never rust, rot, or corrode and insects won't attack it.

This dig in place post includes one anchor barb to keep it securely in the ground (suggested burial depth is 18" – 24").

Item#	Description	1-11	12-35	36+
PPM7203	72" Trail Marking Post w/ Cap & Anchor (No Decal)	81.90	73.15	69.00

E. MILE MARKER TRAIL POSTS

These Mile Marker Posts are long-lasting, durable and made from 100% recycled plastic. No need to stain or paint, these heavy-duty posts can be either surface mounted or buried to your required depth.

Letters & numbers can be engraved on all four sides of the post (for an additional charge) and are available in several colors: brown, cedar, gray, green, sand & weathered.

Item#	Description	5 – 9	10+
MMKR6	6' Solid Plastic Mile Marker Post (no text)	66.55	61.80
MMKR8	8' Solid Plastic Mile Marker Post (no text)	87.15	80.85

Item #	Description	Each
MMRK-LN	Letter & Number Engraving for Posts	7.45

SIGNS & DECALS

FROM BERNTSEN

A. RECREATION SIGNAGE & DECALS (UNIVERSAL SYMBOLS)

Berntsen offers a complete line of outdoor quality signs and decals featuring universally recognized federal symbols for recreation. These signs and decals can be combined with trail posts (see page 2) to create a highly cost-effective, low-maintenance signing system.

3" x 3" recreational symbols are available in 8 1/2" x 11" pages containing six symbols and three directional arrows. All recreational symbols are printed in a white engineering grade reflective sheeting with brown background. Red slashes can be added to any recreational symbol to prohibit the activity.

See page 6 & 7 for full-line of Federal Recreation Decal & Signage options.

Item #	Description	Each
FEDREC DECAL	Six 3" x 3" Symbols w/ Three Arrows	12.20

B. LETTER & NUMBER DECALS

Decals come on convenient, self-adhesive, reflective sheets of 1", 2", 3" or 4" letters or numerals. Available in die-cut or solid color background.

Item #	Description	Price
_V_06P	Black Vinyl Non-Reflective Die Cut	8.75 sheet*
_R_01P	White Reflective Die Cut	12.20 sheet*
_RS_00	White Reflective w/ Brown Background	12.20 sheet*

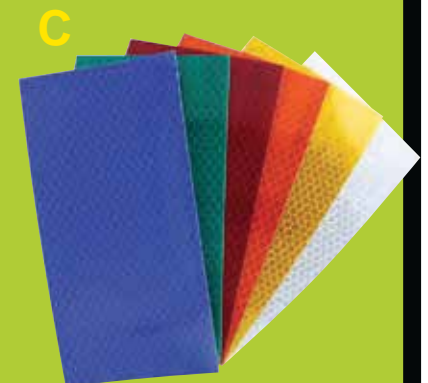

Item #	Description	Each
NRS_00KIT	Reflective Number Kit-one sheet of each (0 -9)	83.00*
LRS_00KIT	Reflective Letter Kit-one sheet of each (A - Z)	285.00*

* Symbols per sheet
 1" solid or 1" die-cut: 70
 2" solid or 2" die-cut: 28
 3" solid or 3" die-cut: 6
 4" solid or 4" die-cut: 5

C. HI-INTENSITY REFLECTIVE SHEETING

Item #	Description	Price
RSH3006	3" x 6" Hi-Intensity Reflective Sheeting	3.25
RSH3009	3" x 9" Hi-Intensity Reflective Sheeting	4.25
RSH3012	3" x 12" Hi-Intensity Reflective Sheeting	5.30

Available in White, Yellow, Orange, Red, Blue & Green.

SIGNS & DECALS

D. ALUMINUM TRAIL MARKING SIGNS

Berntsen's aluminum signs are made of industry standard 5052-alloy aluminum, .080 inches thick, with unique, smooth, beveled edges that reduce the risk of injuries and lacerations when handling the sign (drill holes not included).

Item#	Description	Each
AS8X8	8" x 8" Aluminum Sign	16.50
AS12X12	12" x 12" Aluminum Sign	21.75
AS18X18	18" x 18" Aluminum Sign	27.00

E. POLYETHYLENE TRAIL MARKING SIGNS

The rugged weather resistant .9 gauge polyethylene signs combined with our most popular recreation symbols create a highly cost-effective, low-maintenance signing system engineered to resist vandalism and harsh environments (drill holes not included).

Item#	Description	Each
PS8X8	8" X 8" Polyethylene Sign	19.00
PS12X12	12" X 12" Polyethylene Sign	24.75

Custom sizes and designs, including your logo and other graphics in full color, are available for both aluminum and polyethylene signs.

F. CARSONITE FIBERGLASS SIGN POSTS

The Fiberglass Sign Support Post is vandal resistant, easy to install and made of a reinforced fiberglass composite. With Ultimate Tensile strength of 50,000 psi and Ultimate Compressive Strength of 45,000 psi, the posts assure a long-term outdoor durability. Available in green, brown and gray colors.

Item #	Description	1-19	20-99	100+
CSP072	6' Fiberglass Sign Post	34.00	29.00	26.00
CSP096	8' Fiberglass Sign Post	41.00	36.00	33.00
CSP120	10' Fiberglass Sign Post	49.00	43.00	40.00
CSP144	12' Fiberglass Sign Post	56.00	51.00	48.00

G. STEEL U-CHANNEL POSTS

The Steel U-Channel posts are hot rolled flanged channel with baked green enamel, and are machine straightened and have a smooth uniform finish. Combine with our aluminum or plastic signs for an ideal trail marking option.

Item#	Description	Each
UCST96	8' Steel U-Channel Post	22.50
UCST120	10' Steel U-Channel Post	25.00
UCST144	12' Steel U-Channel Post	28.50

TRAIL AND PATH MARKERS

Engraved BRONZE PLAQUES AND NAME PLATES

IMPROVING & REPLACING THE AGE-OLD ART OF CASTING

The engraving process for custom, one-of-a-kind bronze plaques can digitally replicate any quality logo, photo or text and captures the most intricate details that the casting process leaves behind.

This technique, along with the finest finishes in the industry, sets a new standard for metal plaques and signage. Available in Oxide, Half-Tone or Full-Color finish, plaques and nameplates ship approximately 30 days after artwork has been approved.

COMPANY NAMEPLATES
