MARKING THE INFRASTRUCTURE OF THE WORLD™ | WWW.BERNTSEN.COM

BERNTSEN OFFERS A **COMPLETE LINE** OF **PARKS AND TRAIL POSTS,**

signs and decals featuring universal symbols for multi-use trails, campsites and parks/recreation facilities. These trail posts can be combined with signs & decals (see page 3) to create a cost-effective, low-maintenance signing system engineered to resist vandalism and harsh environments.

A. DUAL-SIDED TRAIL MARKERS

This durable yet flexible fiberglass composite post accepts decals on both sides – perfect for trail marking. The raised, reinforced ribs along each side help prevent scratching or removal of decals if impacted.
