UTILITY POSTS & DECALS

CARSONITE FIBERGLASS POSTS

Setting a Carsonite Fiberglass Marker is a fast, inexpensive way to mark and protect your underground utility investments saving your company time and money. Carsonite posts are made from a special fiberglass composite that will not rot or get brittle in harsh weather. Posts are lightweight, easy to carry and come with pre-applied standard or custom decals. We recommend installing posts with the Carsonite driver to a buried depth of at least 18".

For high visibility and easy identification of underground utility lines

A. CARSONITE UTILITY POSTS

Item #	Description	<20*	20-80*	100-280*	300+*
CRM3060	5' Fiberglass Post (No Decal)	19.60	16.30	14.75	13.20
CRM3072	6' Fiberglass Post (No Decal)	22.60	18.10	17.25	16.60

CARSONITE DUAL-SIDED UTILITY POSTS

CIB3060	5' Fiberglass Post (No Decal)	17.10	14.20	13.60	13.20
CIB3072	6' Fiberglass Post (No Decal)	21.20	17.50	16.50	15.40

*20 posts per case. Available in Yellow, Orange, Red, Blue, Green, White & Brown

RMTLPDR1	Carsonite Post Driver	199.00 each
DECAL	Two-Color Decal Non-Reflective (Attached)	3.50 each
DECAL-R	Two-Color Decal Reflective (Attached)	4.75 each

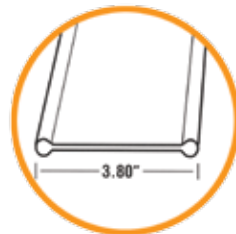

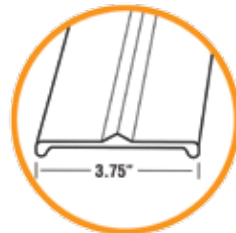

B. CARSONITE THIN-LINE FIBERGLASS POSTS

Same great quality as the Carsonite posts, only lighter, thinner & less expensive.

Item #	Description	<25**	25-75**	100-275**	300+**
TLP5	5' Fiberglass Post (No Decal)	10.75	9.35	8.60	8.00
TLP6	6' Fiberglass Post (No Decal)	11.75	10.20	9.40	8.60

**25 posts per case. Available in Yellow, Orange, Red, Blue, Green & White

TLPDRV	Thin-Line Post Driver	99.90 each
TLDECAL	Two-Color Decal Non-Reflective (Attached)	3.00 each

LOCATING & IDENTIFYING UNDERGROUND UTILITIES

JUST GOT A WHOLE LOT EASIER

HOW THE INFRAMARKER SYSTEM WORKS

INITIALIZE

PREPARE & SET THE MARKER:

Existing data from Excel, GIS systems, original plans, etc., is easily written to the Radio Frequency Identification marker via the InfraMarker software. Up to 64 characters are available in a standard or user-defined format.

INSTALL

InfraMarkers are buried exactly over the asset (or can be offset to your standard) during construction backfill or maintenance. InfraMarker is a "passive" system, powered by radio frequency energy.

LOCATE

WHEN THE ASSET NEEDS TO BE FOUND:

Get close with GPS and then locate the buried InfraMarker fast with a Schonstedt magnetic locator. The strong, distinctive magnetic signal pinpoints the precise location of the marker with golf-ball-diameter accuracy.

VERIFY

Simply aim the InfraMarker RFID Reader over the spot located and the RFID tag data is displayed exactly as the day it was installed. This confirms that the correct asset point has been located ... before you start to dig.

DIG

Start digging by hand with confidence that the exact location and asset point has been found. Recover the InfraMarker during excavation to complete visual verification and re-install InfraMarker when work is completed.

CONTROL

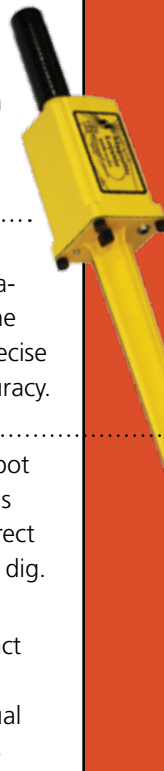

You create and control the InfraMarker system, a virtual digital data bridge between the field and the office. InfraMarker is available in several sizes and all APWA colors to mark all types of subsurface utility assets. InfraMarker is also available for above ground assets.

TO SEE HOW YOUR ORGANIZATION COULD BENEFIT FROM THE INFRAMARKER SYSTEM, CALL US TODAY OR VISIT **WWW.INFRAMARKER.COM** TO VIEW VIDEOS AND LEARN MORE.

- Fast

CUSTOMIZABLE, DURABLE, UTILITY IDENTIFICATION!

A. BERNTSEN CONCRETE MARKERS AND DRILL BITS

Berntsen aluminum and bronze forged markers with stem hold firmly into concrete and can be customized with your imprint.

COLD FORGED 6000 SERIES ALUMINUM

Item #	Description	1-24	25-99	100-249	250+
CD2	2" Domed Concrete Marker (Aluminum)	6.92	5.77	4.52	3.84
C25D	2½" Domed Concrete Marker (Aluminum)	13.52	12.20	11.44	10.73
C35D	3½" Domed Concrete Marker (Aluminum)	12.88	12.58	12.17	11.67
C35F	3½" Flat Concrete Marker (Aluminum)	19.59	17.34	15.68	14.82
C4D	4" Domed Concrete Marker (Aluminum)	16.38	14.83	12.76	12.01

ORBITAL FORGED SILICON BRONZE (LEAD FREE)

Item #	Description	1-10	11-24	25-99	100+
CD2B	2" Domed Concrete Marker (Bronze)	14.72	13.29	11.26	10.28
C25DB	2½" Domed Concrete Marker (Bronze)	33.54	30.18	28.22	26.83
C35DB	3½" Domed Concrete Marker (Bronze)	45.20	40.95	36.87	34.47
C35FB	3½" Flat Concrete Marker (Bronze)	51.24	45.39	41.25	38.45
C4DB	4" Domed Concrete Marker (Bronze)	54.24	51.50	46.41	42.41

No charge for stamping 11+ markers. Visit www.berntsen.com for stamping layout. Price list based on standard lettering & centermarks only. Please call for quotation on markers with custom logos.

B. SDS-MAX COUNTERSINK DRILL BITS

Item #	Description	Price
CD2DRLM	2" Countersink Drill Bit (3-piece)	285.00
C25DRLM	2½" Countersink Drill Bit (3-piece)	317.00
C35DRLM	3½" Countersink Drill Bit (3-piece)	397.00
C4DRLM	4" Countersink Drill Bit (3-piece)	423.00

These drill bits countersink top of marker only (not the stem). We suggest a 1" drill bit to create the stem hole. Drill bits also available in Spline and SDS-PLUS

C. UTILITY WASHERS AND NAILS

The center hole is sized to fit many types of asphalt nails and can be custom stamped for a fast & inexpensive solution to marking utilities.

Item#	Description	25-99	100-249	250-499	500+
AT1	1½" Diameter Aluminum Washer	1.38	1.08	0.92	0.71
SST1	1½" Diameter Stainless Steel	1.43	1.12	0.97	0.92
BT1	1½" Diameter Brass Washer	2.24	2.08	1.78	1.63
BT2	2" Diameter Brass Washer	2.91	2.58	2.43	1.92
MAGNAIL15	1½" Magnetized Asphalt Nail	16.00 Per Box of 100			
MAGNAIL2	2" Magnetized Asphalt Nail	20.00 Per Box of 100			

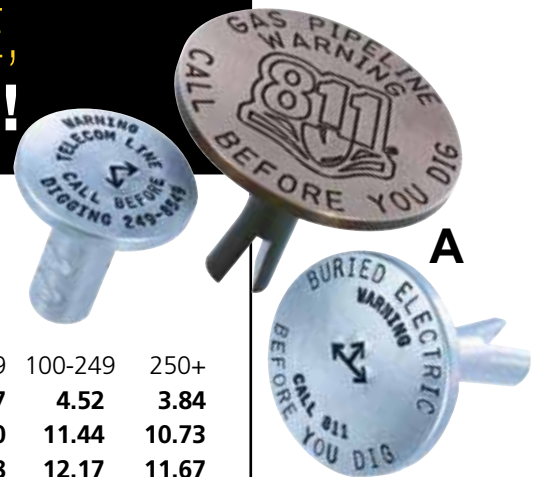

No charge for stamping 100+ washers. Visit www.berntsen.com for stamping layout.

D. BP SERIES MARKERS AND DRILL BIT

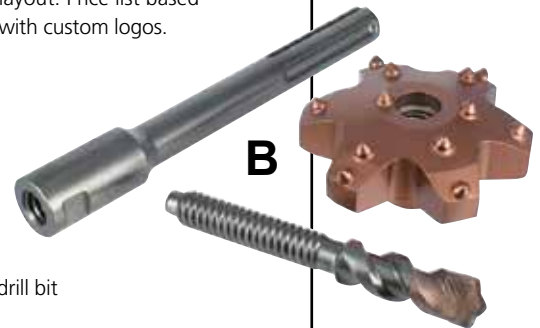

Berntsen BP series copper markers install faster than any other concrete marker we offer. Just drill a hole using our countersink drill bit (sold separately), insert the expansion plug and tap in the marker.

Item #	Description	25-99	100-249	250-499	500+
BP2	BP Concrete Marker w/ Anchoring Plug	3.29	3.10	2.81	2.60
BPMDDL	SDS-Plus BP Countersink Drill Bit	122.00 each			

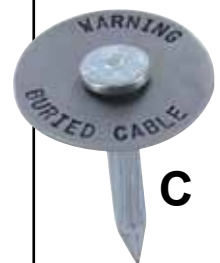

No charge for stamping 25+ markers. Visit www.berntsen.com for stamping layout.

METAL UTILITY MARKERS

OVER 100 UTILITY MARKING DESIGNS AVAILABLE ONLINE AT WWW.BERNTSEN.COM

CURB MARKERS

Permanently mark your underground utilities and storm drains where conventional signage cannot be used. Curb Markers are available in bright APWA colors for a uniform, professional look. Aid location, alert potential excavators and protect your equipment.

E. DAMAGE PREVENTION & LOCATING MARKERS

Item #	Description	50-499	500-999	1000+
DAS-NR2.5	2½" Curb Marker Non-Reflective	2.16	2.01	1.80
DASR-2.5	2½" Curb Marker Reflective	2.73	2.42	2.06

F. STORM DRAIN MARKERS

Item #	Description	10-24	25-49	50-249	250+
DAS-SDMC	4" Circle Storm Drain Marker	5.99	4.79	3.35	2.73
DAS-SDMR	3" x 5¼" Storm Drain Marker	4.99	3.99	2.70	2.40

RS-2225	Marker Adhesive 5 oz. Tube (Approx. 30 Markers)	7.15 each
RS-22211	Marker Adhesive 11 oz. Cartridge (Approx. 60 Markers)	12.30 each

G. SOIL MARKERS

Provide a highly visible, low profile "CALL BEFORE YOU DIG" warning sign. Soil Markers are a good solution for residential areas where marker posts are considered unsightly. Available in all APWA colors.

Item #	Description	25-99	100-249	250+
SM400U	4" dia. Soil Marker w/ 8" barbed stake	6.70	5.70	5.15
SM700U	7" dia. Soil Marker w/ 13" barbed stake	14.40	9.25	8.20

H. A-TAG Pavement Markers

A-TAG markers are embedded into concrete or asphalt. These brightly colored UV-stable polypropylene markers are slightly recessed so even snowplows will not destroy them.

Item #	Description	50-99*	100-499*	500+*
ATAGNCT-S	Pavement Marker for new construction	2.01	1.80	1.55
ATAGRFT-S	Pavement Marker for retrofit	2.01	1.80	1.55

*Pricing for standard legends – Visit www.berntsen.com for custom legend pricing

ATAG DRILLBIT	Retrofit Drill Bit (SDS-Plus)	283.25 each

PLASTIC UTILITY MARKERS

SCHONSTEDT

THE BEST-KNOWN NAME IN LOCATORS

DEPENDABLE & SENSITIVE INSTRUMENTS
FIND IT FAST!

SCHONSTEDT® GA-52Cx

The one piece of equipment you'll never have to worry about – it just works! This is the original 'yellow stick' that surveyors have relied on for decades. Simple controls, sturdy construction, and a seven-year warranty make this locator 'a must' for any survey shop. The Cx model updates the classic GA-52 with improved sensitivity so you'll find ferrous monuments even when they're deep, damaged, or nearly rusted away. Hard shell plastic case included.

Item # Description and Price
GA52Cx **Berntsen Value Price 740.00** Suggested List Price 915.00

**TRADE-IN
SPECIAL**

SAVE UP TO \$300 ON
A NEW SCHONSTEDT.
CONTACT BERNTSEN
FOR DETAILS!

SCHONSTEDT® GA-72Cd

Get more information from the digital graph. The GA-72Cd uses the same circuitry as the GA-52Cx, and adds a digital graph that shows signal strength and polarity, and more control options. You can determine the orientation of underground objects and use the visual guides to pinpoint the location. Headset available, but not needed in most conditions. Comes with five-year warranty and hard shell plastic carrying case.

Item # Description and Price
GA72Cd **Berntsen Value Price 865.00** Suggested List Price 1040.00

DEEP-1 UNDERGROUND MAGNETIC UTILITY MARKERS

A low cost way to preserve underground utility locations. They're easy to install – just bury them vertically above any underground pipeline. Available in all APWA utility colors. Markers packed 300/case.

Item #	Description	1-299	300+
DEEP1UY	DEEP1 Yellow (Gas)	2.10	1.70
DEEP1FO	DEEP1 Orange (Telecom)	2.10	1.70
DEEP1UR	DEEP1 Red (Electric)	2.10	1.70
DEEP1UG	DEEP1 Green (Sewer)	2.10	1.70
DEEP1UB	DEEP1 Blue (Water)	2.10	1.70

UTILITY FLAGGING

UTILITY MARKING FLAGS

Presco high-quality marking flags are ideal for above ground marking for utility construction and line locating. These flags ensure consistent communication and long-lasting visibility to your project. 1000 flags per box. Available in all APWA colors.

Item #	Description	Price
MFLAG221	2½" X 3½" on 21" Wire Staff	67.00/box
MFLAG230	2½" X 3½" on 30" Wire Staff	81.00/box
MFLAG421	4" X 5" on 21" Wire Staff	73.00/box
MFLAG430	4" X 5" on 30" Wire Staff	86.00/box

PRINTED FLAGS – Over 50+ designs to choose from

Item #	Description	Price
MFLAG221SL	2½" X 3½" on 21" Wire Staff	89.00/box
MFLAG230SL	2½" X 3½" on 30" Wire Staff	105.00/box
MFLAG421SL	4" X 5" on 21" Wire Staff	96.00/box
MFLAG430SL	4" X 5" on 30" Wire Staff	113.00/box
MFTOOL	Marking Flag Insertion Tool	102.00 each

(For custom artwork add \$30.00 setup charge)

UTILITY ROLL FLAGGING

Colorful and highly visible, Presco solid color roll flagging is the most durable, long lasting outdoor flagging available. Min. order: 12 rolls (1 box)

Item #	Description	12-132	144+
RF150	Solid Glo Color Roll Flagging 150 ft/roll	1.60	1.39
RF300	Solid Color Roll Flagging 300 ft/roll	1.60	1.39

Available in Glo or Standard colors: Yellow, Orange, Red, Blue, Green, Pink & White

UTILITY MARKING WHISKERS

Presco 6" Marking Whiskers are an alternative marking choice for underground utility locating. Virtually indestructible, these APWA color-coded Marking Whiskers spring back up when run over by lawn mowers, graders and heavy equipment. They are easily and conveniently attached to wood stakes or to 60-penny nails (not included). Use them alone or in conjunction with other marking products.

Item #	Description	Price
MK WHISKERS	6" Marking Whiskers (1000 per box)	125.15/box

Available in Glo Orange, Glo Pink, Yellow, Red, Orange, Green & Blue

DETECTABLE AND NON-DETECTABLE WARNING TAPE

Mark all of your underground utilities with Presco underground warning tape. The non-detectable tape acts as a highly-visible proximity device that will resist the elements and not turn black over time. The detectable tape is used for accurately locating and preventing damage to valuable underground utility installations. It has an aluminum backing to make underground assets easy to find using a non-ferrous locator.

Item #	Description	Price
UWTND3X300	Non-Detectable Underground Warning Tape 3" x 300' Roll (16 rolls per case)	92.00
UWTD3X1000	Detectable Underground Warning Tape 3" x 1000' Rolls (8 rolls per case)	382.00
