

### Durable, attractive two-sided marker

This durable fiberglass composite Carsonite Dual Sided Marker accepts sheeting or decals on both sides. It is ideal for 180-degree messages—for rural route marking or for 9-1-1 identification. The marker rebounds after impacts, and resists vandalism. The raised, reinforced ribs along each side help prevent scratching or removal of the legends if impacted.

#### How to Order:

**CIB3**

Product number

**066**

Length (in.)

See chart for availability by color.
